Petition To Re-Mail Office Action dated October 2, 2002 And
Re-Set Mailing Date Of Office Action

Applicant respectfully requests that the Office Action dated October 2, 2002 be re-mailed and the mailing date be re-set. To date, applicant's attorney has not received or seen the Office Action. However, on January 21, 2003, the examiner advised applicant's attorney by telephone that the Office Action had been mailed on October 2, 2002. Applicant's attorney has thoroughly searched the file and reviewed his docket system. The Office Action was never received. A more detailed declaration by the undersigned in support of this petition is attached as "Exhibit A".

Applicant's attorney has not yet reviewed the contents of the Office Action. This material has likewise not been reviewed by applicant. Accordingly, to provide applicant with sufficient time to respond to the Office Action, and in view of the circumstances described in the attached declaration, applicant respectfully requests that the Office Action be re-sent and the Office Action mailing date be re-set.

If a telephone conference with applicant's attorney would help to advance the prosecution of this application, the examiner is invited to telephone the undersigned at (239) 481-0900.

To the Commissioner of Patents and Trademarks
Washington, D.C. 20231

**DECLARATION OF APPLICANT'S ATTORNEY IN SUPPORT
OF PETITION TO RE-SET DATE OF MAILING OF OFFICE ACTION**

Declarant William E. Noonan hereby declares that:

1. I am William E. Noonan, Registration No. 30,668. I am attorney of record in the subject application.

2. On January 23, 2003, my secretary, Sue Christenson, conferred by telephone with the examiner, Hugh Thompson, regarding the subject application. Mr. Thompson advised Ms. Christenson that a Final Rejection in the application was mailed October 2, 2002. To date, the Office Action has not been received or reviewed by my office.

3. I have carefully reviewed the file jacket of this application, as well as my docket through January 2, 2003. Attached as Exhibit "B" is a true and complete copy of the pertinent screens of my computerized docket system. The upper screen lists docketed matters due on or just prior to January 2, 2003. No deadlines are docketed for the subject application (Docket No. BR101). The material in question was not found in the file and an Office Action was not docketed in my records. Additionally, the lower

EXHIBIT "A"

printout screen reflects all docket entries related to just the present application. As indicated therein, there is no entry of a Final Office Action.

4. The pending Final Office Action was not received by my office. Based upon the apparent mailing date of the Office Action (October 2, 2002), there is insufficient time for applicant to timely complete the steps that are now required. In particular, I must confer with applicant regarding the papers that have not yet been received. In addition, I must prepare and file a response and/or notice of appeal, if warranted.

5. In view of the foregoing circumstances, applicant respectfully requests that the Office Action be re-mailed and that the mailing date be re-set.

6. The undersigned hereby declares that the statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true and further states that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this application or document or any registration resulting therefrom.
